2017 Study Abroad Registration Changes Form

General instructions: Use this form to make changes to your credit status (UN or GR credit), to drop your courses for a full or partial tuition refund, or to withdraw from your courses (no tuition refund, course remains on record with a WD grade). The amount of your refund, if any, will be determined according to the deadlines published on the Admitted Students page of the Harvard Summer School website, www.summer.harvard.edu/study-abroad/information/admitted-students. All changes made after the start of a study abroad program require a signature from your study abroad program director/representative.

Note: Students who drop or withdraw from all their courses are removed from their study abroad program.

Print all information requested and have your program director/representative sign and date the form. You must sign and date the bottom of the form as well. E-mail the completed form to summerabroad@dcemail.harvard.edu by the appropriate deadline for your program.

If your mailing or e-mail address has changed since Summer 2017 course registration, please update the information through your Online Services account.
