Instructions

Minimum Age Policy. Students who have completed high school and are planning to register for courses in the general Summer School program (7-week or 3-week sessions) must be 15 years old by July 1, 2020, to enroll for noncredit and undergraduate credit; students must be 18 years old by July 1, 2020, to enroll for graduate credit.

Undergraduates who are under 18 years old must register on paper and must submit an official letter of enrollment from their home schools confirming degree-seeking status.

High school students currently completing the 10th, 11th, or 12th grades, including those graduating this year, must apply to the Secondary School Program (SSP) or the Pre-College Program (PC) and may not use this form (Form A). See summer.harvard.edu/high-school-programs for more information.

To register you must complete Form A and submit it to Harvard Summer School, 51 Brattle Street, Cambridge, MA 02138-3722. The Summer School is not responsible for forms lost in transit. Additional registration forms may be downloaded from the Summer School website. When completing registration forms, please clearly print all information and write your full legal name on every form. Be sure to sign and date those forms that require your signature. For forms received after May 18, students must make full payment of tuition and fees in their online services account immediately. Students who have not paid in full by May 18 will be dropped from all courses, including waitlists, and will no longer be eligible for Summer School housing.

As part of registration, you must provide your full legal name (exactly as printed on your passport or other government-issued photo identification), gender, date of birth, email address, and current postal mailing address.

All critical Summer School announcements, such as class cancellations, and most faculty communications are sent via email. If you are registered in any online courses, you must maintain an active email address throughout your enrollment. To protect the privacy and security of your student records, you must provide an email address that is unique and not shared with any other person within the Division of Continuing Education student database. Duplicate email addresses will be inactivated.

You are responsible for maintaining accurate contact information (email address, postal address, telephone numbers) with the Summer School. If we receive notice that your email address has been rejected by the email host, we will inactivate that email address in our system. Similarly, we will inactivate a postal mailing address if mail to that address is returned as not deliverable. You may update contact information online, or by submitting the "Student Change of Address" form downloadable from the Summer School website.

Harvard College students who have withdrawn or are on leave must submit a completed and signed Assistant Dean / Resident Dean form to the Summer School Registrar’s Office by May 18. Forms may be downloaded from the website (https://www.summer.harvard.edu/forms).

Insurance. All students enrolled in Summer School, both US residents and nonresidents, must purchase insurance through the Summer School unless they have insurance that covers major illnesses and accidents within the US. Students who do not indicate on Form A that they have such coverage are enrolled automatically in the Summer School insurance plan and charged a health insurance fee: $200 for the 7-week session; $100 for a 3-week session. Students with other coverage should be sure to have their insurance identification cards with them while attending Summer School.

International students who wish to request an I-20 certificate for the F-1 student visa from the Summer School must meet all requirements and complete the I-20 Certificate Request Form in online services no later than May 4, 2020. For visa and I-20 guidelines see http://www.summer.harvard.edu/adult-college-students/course-registration/international-student-guidelines.

Ukrainian Summer Institute applicants must first submit a separate Ukrainian Summer Institute application, available at https://huri.harvard.edu/husi/husi-admissions.html.

Payment

Full payment is due May 18. If you do not pay in full by May 18, you risk being dropped from all courses and waitlists and your housing request will be cancelled.
All payments must be in US currency, payable through US banks. The Summer School does not accept cash payments. Payment may be made online at summer.harvard.edu with a credit card or e-check. MasterCard, Visa, American Express, and Discover are accepted. Wire payments should be sent no later than April 10 to meet the May 18 deadline for full payment. Checks should be payable to Harvard University. See the website for more information on payment options and policies.
